

This Lordship has not yet given
any Decision, but there has appear^{ed}
ed on the part of all the Merchants
here & at Montreal as well as of
many of the Gentlemen at the Bar
sufficient Cause of turning every
Judge on that Bench to the left
about. As we expect a petition
from hence in 1764 with respect
to granting us a free Constitution
will come before the Parliament
this Session a Subscription is set
on foot to employ an Agent to bring
forward & support it, Mr. Adam
Hymburner of this place has been
prevailed upon to accept the Com-
mission. His Royal Highness
Prince William Henry's visit here
this Summer occasioned a good deal
of parade & expense of Gunpowder
among us, & Commodore Sawier's
Squadron consisting of a 50 Gun
Ship, 3 Frigates, a 20 Gun Ship &
a Schooner of war, with 7 large Trans-
port Ships made our Bason ev-
er no despicable figure for 2 or 3 months
All your Relations here join us
in Love & best Compliments. We
are with Esteem Dear David
Yours &c.
