

MS/1/4

Kirkwall, 15 July, 1826.

Sir,

Being presently employed in making up Accounts of Superior duties &c. against the Heritors in the Bishopric, it would be obliging, if you would have the goodness to send to me a Statement of the Articles in kind &c. usually charged against you, by Lord Dundas' factor, for feu and teind duties, in order that I may compare the same, with the Rental sent to me by Exchequer.

I am

Sir,

Your most obedient servant,
