

Mr. No. 10. Valparaiso.

Sir I had your of the 21 and have also recd yours
of the 27th Dec last inclosing Abstract of your and Court
w^{ch} is a Curator for Coustier Ammor also the w^{ch} of the
Doquebois w^{ch} the lst of the Nomination I sent you

I shall mention as brief as possible my particular
objection as to the auct and I doubt not but you will
adhear to them so as to give no ground for reflection
on either side. In the first place & indeed the only article
that can ~~be~~ ^{be} an objection I think you have not
mentioned any thing as to the particular article of
Jungle as mentioned in your last Coustier w^{ch} Coustier
making you accountable to Coustier for 12/6 of Don
for each Ton of Help on which you should make out
short at any time from the date which is the 28th May ¹⁷⁶⁷
to the Commencement of this Coustier w^{ch} was 1st Jan^y 1767 -
with comprehends 7 years - from Jungle or Redware only
nor any mention made of it for those years which you
said so one for the Help made ^{in 1767} of Jungle only & that there
were but little Help made the 7 years this additional
article from Jungle or Redware might be thought con-
siderable & to ^{be} accountable for on the said Contract

I find all the of articles of the acc^t very accurate only
I think the value of the Help too very small you best know
on what terms you had them & how you was to have them
or acc^t for them

I find by our former acc^t that you ^{had or use} diligence
at the late Coustier as you see what I have added in respect
to what so that I think the Doquebois will be sufficient as
the Docum^t on your Part should especially provide
& diligence as the like delivered up or sent me without
duplication in this acc^t

I think it my duty to acquaint you that in an acc^t
settled between you & Coustier 28th May 1767 the date of the
last Coustier w^{ch} you charge £ 8. 1. 8 for interest on advance
of money to the 23rd of Nov^r 1765 from the 1st Jan^y 1765. and

I am well satisfied that you paid Mr. Lindsay the total
that acc^t as you say being £ 4. 5. 10. 6. and taken his receipt

which should be also for one or an authorized part to
this purpose under Mr. Laid. my hand to be kept and some
person to receive these docum^ts or give my order to send
them by some sure hand

I shall except of the help of your necessary & the
price of the ~~document~~ ^{may} or if you please each of us appoint a
proper person on each side to value them which shall
say you

I have returned the act. & do agree to the same
I desire & I hope we shall both have the satisfaction
soon to settle this long and agreeable to all parties
to all concerned. I am wth compliments of the dea for

Sir
your most obed^t ser^v
