Sir. I had the pleasure of being in company
with your daughter last night at her aunts —
She is very well at present and very glad
Notwithstanding her Misfortune on
her Passage, that she has left the Country
and I hope will do very well here, I have
an account last night of my Cousins
death which gives me some concern but
I hope you'll take care that Vander
Snook's Oppression do not impose on
his Heirs which will be a Great Satisfaction
to me I would take it as a favour if you'll
write me as soon as this comes to your hand —
and let me know what News there is in
the Country Especially concerning Vander Snook's
Proceedings I hear that Crub Shank is of that
Side of the House I have not wrote to him
since I came Home but should be glad to
hear that he is well and his Family

Don't fail to send me all the News you can
Think on Make my Compliments to M^r. Sand
and Family I Hope this will find you
and your Spouse in good Health and all
your Family is the Earnest Wish
