

MS/3/3

Dear Sir

I shall be as well pleas'd that Mr. Hadero enjoys
 his own estate as any friend he has. I have
 no plot upon it but in the want of his selling
 that he would have given me the preference
 as he is resolv'd not to sell I will very cheerfully
 assist him in any good Office that lies in
 my power. I'll be extremely glad to spend
 a Night with Mr. Hadero when a whole day
 is not convenient for him, & when ever his health
 permits I must begg the favour that will
 slip over to my Mother as she is very anxious
 to see him to inquire of her sons well fare
 I am with kind respects

Dear Sir
