

Sir

215/3/3

The Indors'd from your Brother in Law came  
to my hand this day I got me A/D postage  
I can make no return to my Brother or him upon  
the Affair he mentions unless you or your Father  
in Law will make out a receipt of the Estate & what  
Superior duty it pays with a list of the Debts upon  
it or what debts your Father in Law are owing that  
may affect it & what the Nature of Gramscay's Security  
is, I have no doubt but if my Brother finds that  
there may be a recovery worth while that he may  
advance your Brother in Law in order to enable him  
to return home & papers & I shall expect your  
Answer & am
