

Dear Cousin

I have just rec^d one of those Larn^d franked
wth these two Letters Inclos^d, & I find I am to Expect another
next post which I suppose will be Monday next if so it will
Cost me a fine penny for postage — I call^d on M^r. Bryson
this Evening to know whether I should send these Letters,
He desired me send them, that as the Connoy was yett
Uncertain he means to keep you at School as long as he,
can, but would take care to watch the time, I do not
Expect you will be many Days in town before you
go off — I Inclos^d you a Letter from your Father
this Day forthnight which I suppose you have rec^d.
no more at present My Compl^{ts} to M^r. & M^{rs}. Morrison
I long to see you & remaine

Yours affect^{ly}
