Mr Mm

This same date I have wrote by post to John Sherran to forward this parcel when it comes forward to you immediately, and to write you, that it is on the way, which I hope he will do - I hope that the commands, that Miss Maria favord me respecting the gown are executed to her satisfaction. I have enclosed a small pair of earrings, which Miss Maria accepts as a remembrance of the few days that I spent in the house with so much satisfaction, owing to your attention, which I beg leave to return you my sincere thanks for - I am very sorry to say, that after trying the jewellers to see if they could cut the shell that I have of yours they said that it was impracticable, and that they had no glass to put in the inside, without which it would be of ^{no} use.

I have taken the liberty to return it
till. I have leave from yourself to
keep it — If it would not be too much
presumption in me to expect it. I would
be very happy to hear from you at
any time you can find leisure. So inform
me of yourself and family well are
Mr. Inglis has been from home this some
time past which has prevented me
from saying many things to Miss Maria
that he would have had to say had he
been at home — My Brother presents
his Compts to you and Miss Maria —
hoping that this will find you all in
good health I Remain
