MS/3/8

Dear Mary

I received your Parcel with  
the enclosed £5 and Necklace for  
which I feel myself much obliged  
and shall keep it as a token of  
your affectionate attention. Tho' I am  
sorry you should have incumbered  
yourself by going to that expense  
as it was a thing I by no means  
wished. I shall go to Mr. Patters  
to morrow but before I order the  
setting of the miniature I shall  
be glad to hear from you if  
you would like to go to the  
expense of nearly £4 for that and  
the frame. I sincerely wish it  
was

in my Power to pay the money  
myself; but I can get them to wait  
for the remainder of your life.  
but if you find you cannot afford  
so much you can have ~~it~~ all done in  
plain you know; let me hear what  
you think best yourself. When do you  
expect to sail from Portsmouth your  
Uncle Henry received a Letter from  
your Mother, I told him the next day  
when he called you were gone he merely  
said he was not surprised at that,  
he asked since after you, but I did  
not shew him your Letter, I forgot this  
I had a particular friend in Portsmouth  
when you went away, if you take  
to call; give the few lines on the  
other side. I have not heard from  
John since your Uncle, and all the  
Children are well. Your Affectionate Aunt
