

Shopmole, Day 17 84

Mr Purp

Primmer was

husband has

heard nothing,

to draw or will which will

untill I give behind my

make me out which

should be

land

My say

too great a disproportion of years between them and in all respects it must be hurtfull to his friends whom I imagined he intended to be made the better of them, which might perhaps have tended as much to his happiness.

My own state of health & the inclemency of the weather puts it intircly out of my power to travel at this season of the year & I am afraid I must see the summer of me I can venture. My best wishes to you & family & wishing you & Mrs Johnston many happy new years I am

Your aff. Servant Daniel Johnston
