

Shap March 23 1784

Dear Jonathan I received your
letter the 18 of March this Day
I have not heard from Mr Cromer
or the money my brother Teast
is not a shiller my brother will
not get such time he gets the far
farthing comes over but keeps
up the house for my sister & me
as for the hundred pounds your brother
is least me if I get it I desire to get
the rent of it while I live & non care
blear me & as for the hundred & fifty
you are in your hands your saviour
that I like & wish it had been in my
power to assisted you or your Daughters
I would Don it with all my heart
blew me Dear ser I canot Comand
a Guway in the world & u in a like
Dept my self if aney other person
had sought the Ten of money from
me I should though it was marking
me

My sister Joni me in
your family your
of London
I am your
affectional servant

March 23 1784

Dear Sister I received your letter
 dated 17th of March this day I have not
 heard from Mr Brimer as for the money
 left me more a shilling my brother
 will pay till such time he gets the
 Court's finding comes over hepp's ~~keeps~~ up the
 house for my sister & me as for the hundred
 pounds your brother left me if I get
 I design to get it as long as I live and
 you can blame me and as for the hundred
 and fifty you have in your hands
 you will secure that for Betty I
 wish it had been in my power assist
 you or your daughter I would do it
 with all my heart believe me dear
 sister I cannot command a
 guiney in the is or all and unluckily
 debt my self. if any other person had
 bought the sent of money from me I
 would mind it was worth me
